

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 7077

August 20, 2023

SUMMARY OF BILL: Requires a local education agency (LEA) or public charter school to provide a responding law enforcement agency with immediate access to the LEA's or public charter school's security systems to assist the law enforcement agency's response during a drill or emergency situation. Effective October 1, 2023.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Public Chapter 367 of 2023 requires that an LEA or public charter must only provide, to the greatest extent practicable, a responding law enforcement agency with access to a school's security systems in order to assist with the agency's response to a drill or emergency; the proposed legislation replaces language to make access to a school's security systems immediate and mandatory regardless of practicability.
- LEAs and public charter schools will be able comply with the requirement to provide immediate access to a school's security systems within existing resources, without a significant increase in expenditures. Any fiscal impact is estimated to be not significant.
